Does the study report...
Included
Costs for a single representative population?
Yes
Were these stratified by RR/MDRTB and non-RR/MDRTB costs?
Yes
Include stratified estimates in the model with DRTB weights equal to 1 and 0.
No
Is the distribution of RR/MDRTB and non-RR/MDRTB patients included?
Yes
Include these costs with weights matching the national distributions of RR/MDR-TB.
No
Include these costs with weights matching the national distributions of RR/MDR-TB.
No
Risk factor stratified costs collected from a single representative population?
Yes
Were these stratified by RR/MDRTB and non-RR/MDRTB costs?
Yes
Include stratified estimates in the model with DRTB weights equal to 1 and 0.
No
Is the distribution of RR/MDRTB and non-RR/MDRTB patients included?
Yes
Include these costs with weights matching the national distributions of RR/MDR-TB.
No
Include these costs with weights matching the national distributions of RR/MDR-TB.
No
Exclude from meta-analysis of this strata
Study population is inpatient only?
Study population has comorbidity
Yes
Yes
Report a descriptive summary of these populations' costs
